

Client Release Form for Hair Extensions

Please read, initial and sign

1. _____ I do not hold Hair Apothecary, my stylist or Perfectress responsible in any way for my decision to have hair extensions applied to my hair.
2. _____ I understand the method my stylist will be using and the care of my extensions has been explained to me.
3. _____ I have been instructed to reschedule a move up appointment 6-8 weeks after application to ensure proper care of my hair and my extensions.
4. _____ Hair Apothecary, my stylist and Perfectress is not responsible for any allergic reactions I may have.
5. _____ Once extensions have been removed storage is available at Hair Apothecary BUT we are not responsible for replacing your extensions if anything happens to them. Example: fire, theft. We will contact you after 1 year of nonuse and ask that you pick them up. If we do not receive a response with in 30 days we will discard them.
6. _____ We at Hair Apothecary reserve the right to stop installing your extensions if you are not taking care of them or are not booking the proper appointments to maintain them.

HOME HAIR CARE FOR YOUR EXTENSIONS

1. _____ I will gently wash my hair at least 2X with a moisture shampoo in a downward motion after I have brushed out all tangles.
2. _____ I will only condition my hair from the mid shafts to the ends. I will not apply conditioner to the root.
3. _____ I will put my hair in a braid to pony/pigtails before I go to bed to prevent matting.
4. _____ I will rinse my hair immediately after swimming. I strongly encourage getting your hair wet with non-chlorinated water before swimming.
5. _____ I will brush my hair starting at the ends and working my way to the scalp.
6. _____ I will NOT go to bed with my hair wet.
7. _____ The average person loses 75-100 hair a day. You will accumulate a small amount of naturally released hair in the bonds/links. THIS IS NORMAL. Regular brushing will reduce matting and tangling.
8. _____
9. Don't worry if you lose a link or two. TEXT US! We will fix it!
10. _____ I will NOT use oil, silicone or protein based products on my extensions.
11. _____ When styling I will keep the heat under 400 degrees and keep the heat away from my root/links/wefts.
